PRODUCTS

INDUSTRIAL WORKWEAR

Industrial Workwear

Our Industrial Workwear line is engineered for durability, safety, and performance in demanding work environments. Designed for industries such as construction, oil & gas, manufacturing, and logistics, our garments offer superior protection without compromising comfort. We manufacture:

- Coveralls & Boiler Suits
- Work Shirts & Trousers
- Jackets & Utility Vests
-

Each piece is made with high-strength fabrics like poly-cotton or 100% cotton, with options for flame-retardant, anti-static, and high-visibility features. Custom branding, reflective tapes, and private labeling are available to meet your industry standards and corporate identity.

Akam Textile ensures quality-controlled production and global export compliance—making us your trusted partner for rugged, reliable workwear.

PRODUCTS

**SAFETY
APPAREL**

Safety Apparel

At Akam Textile, our Safety Apparel range is designed to protect workers in high-risk environments while meeting global safety and visibility standards. These garments are ideal for sectors like construction, roadwork, oil & gas, mining, and utilities.

We produce:

- High-Visibility Jackets & Vests
- Flame-Retardant (FR) Coveralls
- Reflective Trousers & Bibs
- Multi-norm Safety Suits
-

Each product is crafted using certified fabrics with properties such as flame resistance, anti-static shielding, and water repellency. We incorporate 3M reflective tapes, triple stitching, and reinforced stress points for maximum durability and compliance.

Custom sizing, private labeling, and OEM options make our safety apparel globally competitive and brand-ready for export.

PRODUCTS

MEDICAL SCRUBS & COATS

Medical Scrubs & Coats

Akam Textile offers a specialized line of Medical Scrubs and Lab Coats designed for healthcare professionals who require comfort, hygiene, and durability throughout long shifts. Ideal for hospitals, clinics, laboratories, and pharmaceutical environments, our garments blend functionality with a clean, professional appearance.

We manufacture:

- Unisex & gender-specific Scrub Sets
- Doctor & Lab Coats (knee & full-length)
- Surgical Gowns (reusable and disposable)

Made from soft, breathable, and anti-bacterial fabrics, our scrubs are available in a variety of colors, sizes, and styles. Features include moisture-wicking properties, easy-care finishes, and reinforced seams for extended use.

Available with custom embroidery, logos, and export packaging, our medical line meets both local and international healthcare standards.

PRODUCTS

ACCESSORIES (CAPS, GLOVES)

Accessories (Caps & Gloves)

Akam Textile complements its core apparel range with high-quality accessories, including caps and gloves tailored for industrial, medical, hospitality, and corporate use. These accessories are designed to enhance safety, uniformity, and brand identity.

We offer:
